

Job Averts

Short Advert – Pioneer Minister: We seek an experienced and missionally-minded individual to bring leadership to our ministry team in developing creative outreach ministries and equipping the church to engage the missing generations.

Short Advert – Young People and Families Leader: We seek an experienced leader to oversee our current youth and children's ministries and to develop a culture of intergenerational discipleship and outreach ministry at the church.

Long Advert – Pioneer Minister:

The new Pioneer Minister for Truro will be a passionate individual who is committed to a Gospel centred understanding of outreach and how creatively communicating the Good News of Jesus Christ is necessary for reaching the missing generations. She or he will be someone who can catch, and help to realise, the vision God has given us for transforming the mission of the Church of England in Cornwall.

The Church Commissioners and the Diocese of Truro are investing a substantial financial sum along with much hope, faith and prayer in Transforming Mission for Truro, a 6-year project to equip our community to reach the missing generations and become a resource church for our area. In the grace of God and the power of the Spirit, we long to see the Gospel of Jesus renewing His church and changing lives through what is started here. We pray that God is calling you to be a part of it.

We invite you to further consider this role by reading the attached job description and person specification. If you feel called to this new and exciting role, it would be good to have an informal discussion with you and to receive your application. If you'd like to explore this opportunity further, please email Jeremy Putnam at vicar@asht.org.uk to arrange a phone conversation.
